# Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Engineering Division, OC

DATE:

25X1

FROM : Chief, Supply Division, OL

SUBJECT: Residual Inventory, Contract RD-91, with

25X1

REF : Memorandum from C/CAB/PD/OL to C/SOB/SD/OL dated 8 November 1957,  
subject: as above.

1. It is requested that you review the items listed per reference for requirements within your office, and if any of the items are needed, submit a requisition for such items, detailing shipping instructions. In accordance with standard procedure, the following should be entered in the "Remarks" block of the form 88 to prevent double fiscal charges.

a. "Residual Inventory -- RD-91"

2. If no requirement exists in your office for this equipment, or for any part of it, it is requested that you notify this division at your earliest convenience.

3. It is further requested that you review the list for accuracy and completeness and advise us of any discrepancies.

Attachment: Letter from [redacted]  
dated 22 Oct. 1957 w/  
Residual Material Listing  
1 cc
